[CLICK HERE TO REGISTER](#)

Modern Band

Ever wanted to be in a real musical band? Join Modern Band and learn to perform great songs. No experience required. Learn to play piano, guitar, bass, ukulele, trombone, trumpet, drums, or sing. At the end of the session, you'll have an opportunity to showcase your new found talents for your teachers and peers.

GYM

Gym will be used to teach students about different types of athletic events from around the globe. Students will learn the fundamentals of multiple games and will practice the appropriate way to carry themselves on and of the court or playing field. They will practice social emotional skills through competition and identify the origins of their different activities.

ARTS & CRAFTS

Students will create works of art using different medias and techniques such as tie dye, water colors, glass painting, fluffy slime, and much more. They will develop fine motor skills and this class will encourage self expression while allowing students to socialize and enhance decision making skills.

Yoga

Join Ms. Gelsomini for a series of Yoga classes where you will learn different Yoga poses, breathing exercises, and meditation practices. Classes will include discussions on how to apply what they learned in Yoga classes to help them at home, school, and with peers.

COOKING

Students will be exposed to new recipes from a variety of cultures. They will be using fresh and local ingredients to create multiple meals and dishes of their choice. Students will be responsible to manage a weekly budget to buy ingredients from local markets and grocery stores and learn the basics of kitchen safety.

Board Games and Legos

Games offer students opportunities to develop many skills including but not limited to: critical thinking skills, socializing away from social media, compromise, sharing, dexterity, and learning to win and lose the right way.

Cheerleaders who Cricut

Get ready for the Stoklosa's cheerleading era. Join Mrs. Boyd and Ms. JB on Tuesdays and Thursdays and learn all there is to know about the sport of cheerleading. We will work as a team to learn cheers, stunts, and tumbling. Not to mention we will utilize our awesome Cricut Machine to create all of our cheer swag. From uniforms to water bottles you'll have a hand in creating your version of fabulous. Attendance is required.

Khmer Dance Club

Learn traditional Khmer dance while being immersed in cultural music and language. This top-notch program is student led. Students will be performing the learned dances at the Cambodian New Year Assembly.

Tutoring and Homework Club

Are you having trouble with homework?? Well, do we have an answer for you. Come on down to the library where Ms. Mendonca where help you with any subjects you want assistance with! No homework to do? Just come on down to enjoy a good book and relax.

Tabletop Gaming

Tabletop Gaming will bring people together to learn how to play tabletop games such as Dungeons and Dragons, War Hammer 4000, and The Pokeman Tabletop card game. It will also include learning to create and paint tabletop minitures.

Crochet and Macrame

Are you looking for a new hobby that is relaxing and that you can learn in a social environment? If so, Crocheting and Macrame is the place for you. In this class, you will learn the basics of crocheting and macrame and you will use these skills to create projects of your choice. Learn how to make bookmarks, bags, scarves, amigurumi, and more with these addictive crafts.

Competitive Video Games

Are you a gamer? Do you have what it takes? Come join the Stoklosa Video Game Team! We'll practice, keep scores, have leaderboards, and prepare to compete against other schools. Games being offered are Mario Cart, Smash Brothers, Rocket League, and Minecraft.

Community Club

Are you interested in Student Government? Would you like a say in the events we have at the school? Are you interested in helping with the yearbook or the school store. Well the Community Club is the place for you.

Green Dragon Archery

Join Green Dragons to learn the fundamentals of how to safely operate a bow and arrow. You will practice your technique to compete against your classmates in a number of challenges that will test your aim, patience, and skill.
