ARTS & CRAFTS AND Board Games

Students will create works of art using different medias and techniques such as tie dye, water colors, glass painting, fluffy slime, and much more. They will develop fine motor skills and this class will encourage self expression while allowing students to socialize and enhance decision making skills.

COOKING

Students will be exposed to new recipes from a variety of cultures. They will be using fresh and local ingredients to create multiple meals and dishes of their choice. Students will be responsible to manage a weekly budget to buy ingredients from local markets and grocery stores and learn the basics of kitchen safety.

Cheerleaders who Cricut

Get ready for the Stoklosa's cheerleading era. Join Mrs. Boyd and Ms. JB on Tuesdays and Thursdays and learn all there is to know about the sport of cheerleading. We will work as a team to learn cheers, stunts, and tumbling. Not to mention we will utilize our awesome Cricut Machine to create all of our cheer swag. From uniforms to water bottles you'll have a hand in creating your version of fabulous. Attendance is required.

GYM

Gym will be used to teach students about different types of athletic events from around the globe. Students will learn the fundamentals of multiple games and will practice the appropriate way to carry themselves on and of the court or playing field. They will practice social emotional skills through competition and identify the origins of their different activities.

Crochet

Do you love creating cool things with your hands? Join crochet, where will you learn how to make your own colorful scarves, hats, or even cute little animals-all with just a hook and some yarn. Whether you're a beginner or tried crochet before, this relaxing class will help you learn new skills, make friends, and create amazing projects. Come join the fun!

Community Service Club

Join our Community Service Club, where students come together to make a positive impact in our school and local community! Members will volunteer to keep our school grounds clean, organize fundraising events for local charities, create heartfelt cards for senior centers and veterans, and collect cans for food banks. Together, we can make a difference!

Inclusivity Club

Are you passionate about creating a world where everyone feels welcome? Inclusivity Club invites you to be part of a vibrant community dedicated to inclusivity in all its forms. Through engaging discussions and collaborative projects, we aim to break down barriers and celebrate our differences. Whether you're looking to share your experiences, learn from others, or make a positive impact, Inclusivity Club is the place for you. Together, let's build a space where every voice is heard and valued. Join Mrs. Couillard and Ms. Schwalm in making a difference—one connection at a time!

Legos and Robotics

This is a team oriented club where students work together to create a variety of projects using their background knowledge in math, science and basic computer skills. This club doesn't require previous experience with legos or robotics. come give it a try.

Tabletop Gaming

Tabletop Gaming will bring people together to learn how to play tabletop games such as Dungeons and Dragons, War Hammer 4000, and The Pokeman Tabletop card game. It will also include learning to create and paint tabletop minitures.
