# Virtual STEM Summer 2021

TRiO-Educational Talent Search

## Program Goal:

The 2021 virtual STEM Summer Program is designed to cultivate high level course work, improve academic skills, and provide early college and career awareness. Students will be engaged in high quality learning experiences, through virtual Zoom using an iPad and other devices.

## Program Eligibility:

All Rising 8<sup>th</sup> and 7<sup>th</sup> grade students who are enrolled in the TRiO-ETS Program at the Butler and Stoklosa Middle Schools. Each eligible student will receive a \$60 stipend!

STEM Activities

## Technology Provided & Participant's Commitment:

Apple iPad and Sphero devices will be provided to students upon acceptance into the STEM Summer Program. The participant must agree to using the Zoom video platform and by participating in the program in its entirety (July 6<sup>th</sup> -July 30<sup>th</sup>). Eligible students will receive a \$60 stipend when loaned equipment is returned in the same condition as it was received and if the student's effort and attendance is satisfactory.

## Program Schedule:

July 6, 2021 - July 30, 2021 (4 weeks)  
Monday - Friday - 9:00 am - 12:00 Noon
