

Good Evening LHS Family,

We were finally able to get through a five day week of school since before holiday break, let's hope the trend continues this coming week. I know this past week was a very busy and hectic end of semester week for staff, students and admin as seen by some of the stressed faces in the hallways. Students are eager for a fresh start, but I also realize teachers are still finishing grading and recommendations and are moving forward as well.

As a kind reminder, please help make sure that all students are wearing their id badges each day to ensure school safety. As you all know our school has many entrances and exits, that's why it is so important that we are able to identify every student and adult in our school at all times. All students and staff are required to wear their id badges throughout the school day; this is a school-wide expectation. We will be making an announcement each morning this week after the pledge for all first period teachers to check for student id's. We will also make an announcement during advisory. Your assistance with these reminders is greatly appreciated. Our plan is to do some sweeps of different areas in the buildings to ensure all id's are being worn. We will continue to address students that are not wearing them. Thank you for your help!

DID YOU KNOW?

We collected \$340.00 during our Friday jeans day collection to help support LHS clubs and activities - thank you for your generous donations.

The HOS parking spot was occupied by our Ugly Sweater Contest Winners and I couldn't help but share the signage for the week! I hope you enjoyed the week Jill and Wayne!

Superintendent Khelifaoui supported the purchase and distribution of ABU's for our cadets last week as evidenced by the smiles on their faces below. Thank you Dr. Khelifaoui!

CONGRATULATIONS:

Many congrats to Mary Desmarais who is retiring January 31st after 33 years of service! She has been a devoted, caring and wonderful addition to our school community. As a reminder we will celebrate by having cake for her after school on Tuesday in the cafeteria - please stop by to wish her well. Last week the folks on second shift had dinner and a cake to celebrate with her. Here's a picture I took of the crew together in honor of Mary! Thanks again to Mary for all she has given to our students and our school, we will miss her.

SHOUT OUT:

Congratulations to our guidance team for a very successful coffee and presentation for junior parents as evidenced by the number of parents attending and the questions they asked. Great teamwork!
