

Good evening LHS family,

As a follow-up to our early dismissal on Friday, the gymnasium gas leaks have been fixed and the main gas has been turned back on in the 1980 building - so we are good to go for tomorrow. Thanks again for your cooperation and patience on Friday as we facilitated the closing of our school.

This is the last week before Spring break and we hope it will be a full week of school, unfortunately there have been many interruptions to our school days recently. As a reminder, teachers need to have grades posted by Tuesday at 8:00am.

I am sure many would enjoy a Jeans Day on Friday before break. Go ahead and wear your jeans and contribute \$5.00 to support our upcoming play, Mary Poppins! Thanking you in advance.
