

Good evening LHS family,

I hope you had a nice weekend and you were able to enjoy all the sunshine which ended up being much more than was forecasted! Last week we finished up all the awards nights and this week is graduation week, I still can't believe we are at this point in the school year already.

The prom was the highlight of last week! Thank you to the many staff members, (and some family members as well), who came out to greet and support our students on their magical evening. It was a beautiful night where our kids enjoyed great food, music and fun with their friends! Thanks to our security staff that checked all the students in and made sure the evening was safe along with our SRO team.

This was the best prom night in many years at LHS (so I've been told) and the best one I have ever attended in 15 years. There were absolutely no problems with any students at any time - you can't ask for anything better than that! I was a very proud Head of School that night 😊

Looking forward to the week ahead and seeing so many happy faces on Wednesday evening!

DID YOU KNOW?

Our senior art students created a mural and which is now hung up in the cafeteria - stop by and check out their artistic creation! Thanks to all of them for their hard work and willingness to share their work on this impressive project.

On Friday June 1st 40 Culinary students who work so hard to prepare food for the Courtyard Restaurant were able to enjoy a meal of their own at Beer Works Restaurant. Students were also able to tour the kitchen and engage the chef in a Q & A session as well as enjoy some relaxation in the game room.

CONGRATULATIONS

Here's a sneak preview of our Carney Medalists - congratulations to all! What an outstanding and nice group of students!

On Friday our Trio and Gear Up Seniors were invited to a celebration luncheon! What a fabulous ending to the school year for them and a delicious lunch outside in the court yard before the rain came. Thanks to the staff for organizing and serving up this fun event!

Congratulations to our many senior athletes who received recognition and awards on Tuesday evening!

Please join me in congratulating Faye O'Leary for being recognized in the **"The Marble Collection's fifth annual magazine release gala, Spring into Art, was a success.** We were joined by over 200 teens, educators and community members to celebrate the accomplishments our published teen writers and artists!"

TMC presented its "Creative Advocate - Outstanding Educator" awards to 2 public school educators, Ms. Faye O'Leary of Lowell High School and Mr. Mark Nevard of Oakmont Regional High School, for their dedication to the arts and ongoing support of TMC.

One of Faye's students' (Samil Blanco) work was also displayed at the event! Samil recently won a contest for his "Be the Change" poster.

UPCOMING EVENTS

Enjoy the week ahead - I'm sure it will be gone in a flash!

Monday, June 4

- 7:55 AM: Kids attending Graduation Walk arrive at the main lobby area outside by the flagpoles; they are gone on the bus all day.
- 9:35am- 9:50am ~ Cap & Gown, 6 tickets will be given to each student. Students will meet their advisory teacher in the cafe who will have their Cap & Gown and their tickets.

Wednesday, June 6
