March 2, 2020

Good evening LHS parents and guardians,

I am excited to share with you that I have been offered, and I have accepted a new opportunity as the **Director of Secondary Education** for Lowell Public Schools working directly with Dr. Linus Guillory, Chief Schools Officer and Robin Desmond, Chief Academic Officer beginning July 1. It has truly been an honor and a privilege to work on behalf of the extraordinary students at Lowell High School in the direction of our goal to move Lowell High School from good to GREAT!

The good news is, in this new capacity, I will continue to support Lowell High School and much more! I will work closely with the future Head of Lowell High School, Lowell High School department chairs, secondary coordinators, and middle school principals to facilitate the ongoing development and alignment of the District's secondary programs.

Three years ago, you welcomed me to Lowell High School as the new Head of School. I have had the opportunity to meet many of you through different student events, parent meetings and school events and have always appreciated your words of support and encouragement towards me. It has been a pleasure working with you and an honor to work on behalf of the students at Lowell High School.

Please know that I will continue to support you, and all of our students in my current role as Head of School through the end of this school year before I transition into my new role. If you have any questions or concerns, please do not hesitate to contact me.

Respectfully,

  
Marianne

Marianne E. Busteed  
Head of Lowell High School
