

Good evening LHS students and families,

I hope this email finds you well and adapting to our current quarantine lifestyle. I know this has been, and continues to be a very difficult time for families and students. Several weeks ago we introduced the LHS Remote Learning Plan and shared that we would send out the Remote Learning Grading Policy when we received further guidance from the Department of Elementary and Secondary Education and District Office. Attached you will find our Remote Learning Grading Policy which will remain in effect through the end of this school year. Our main focus continues to be on student and family wellness followed by academic learning. Our teachers have been engaging students with lessons, zoom calls, emails, google classroom, and many other learning modalities over the past several weeks. As you know this remote learning will continue until the end of the school year (TBD). We are here to support and encourage you every step of the way, especially our seniors. Please reach out to your teacher, guidance counselor, or house dean if you have any questions or need support.

I invite you to review the Remote Grading Policy and follow-up with classroom teachers with any questions or concerns you may have. We are also offering a Zoom question and information session on Monday evening at 7:00 pm for students or parents.
