b.) Life Insurance: Principals are eligible to receive life insurance in the amount of \$2,000.00. The School Committee of the City of Lowell shall pay 75 percent of the cost of such insurance and the principals shall be responsible for the balance of 25 percent.

c.) Expense Reimbursement: Principals shall be reimbursed for all expenses reasonably incurred in the performance of their duties in accordance with the laws of the Commonwealth of Massachusetts and the policies of the School Committee of the City of Lowell, when approved in advance by the Superintendent of Schools. Whenever required to travel, principals shall be reimbursed at the rate determined in accordance with the applicable travel allowance established by the United States Internal Revenue Code. Principals will also be reimbursed for reasonable expenses (including meals, lodgings, and/or transportation and fees) incurred for attending workshops, seminars, conferences or other professional improvement sessions, which have been approved in advance by the Superintendent of Schools.

A principal may resume her duties after the termination of pregnancy by providing a physician's certificate indicating that she is physically able to resume her position. This certificate must be submitted to the Superintendent of Schools prior to the principal's return to duty and the Superintendent of Schools may direct the principal to be examined by a physician of her choice to confirm the certification of the principal's

physician. Principals may use their sick leave for the eight (8) week period (not to exceed forty (40) school days) following the birth or delivery of the child. Sick leave days may be used outside of the eight-week period in the event of a disability from the pregnancy, birth or delivery. The principal may elect to use a combination of allowable paid and/or unpaid leave to return to work either at the start of the school year following the termination of her pregnancy or at the start of the school year following the child's first birthday. Failure to return to work on the elected date will be deemed as an automatic resignation on part of the principal.

j.) Child Rearing Leave: Principals are eligible to receive up to one-year leave, without pay, for the purpose of either child rearing or adoption. Upon receiving notification of being accepted on an adoption list, PRINCIPAL shall notify the Superintendent of Schools. Upon receiving confirmation of the child's availability, the employee shall notify the Superintendent of Schools of the date. Leave shall commence immediately upon said date. PRINCIPAL may continue health insurance during the period of the leave, but will be responsible for the entire cost of the coverage. PRINCIPAL is not eligible for sick leave benefits while on this leave. In addition to the unpaid leave, a principal who has adopted a child shall be entitled to the same paid leave benefits as set forth in the Maternity Leave policy, above.

k.) Professional Development: Principals are eligible to receive tuition reimbursement of up to \$500 for in-service courses taken in a related field at an accredited college or university of their choice, approved in advance by the Superintendent of Schools.
