

Dr. An Wang Middle School
SSC/PTO Meeting
December 14, 2020

Meeting called to order at 5:05 pm by President Coralie Cote.

President's Report: Coralie Cote

~Friends of Lowell High School is inquiring about sponsoring a scholarship for a former student. \$500 will be sent.

~Will look into a Cherrydale Catalog Fundraiser (possibly 50% profit) or Yankee Candle (possibly 40% profit) for January/February.

Principal's Report: Matt Stahl

SSC

~100% of the school district will be full remote on Monday, December 21st. The Wang currently has nine students attending in person. The plan to bring students back to school is unsure. It may be January 4, 2021. The Teachers Union and Downtown cannot agree on a plan right now. The Wang wants to keep the rosters the same.

~School Committee is looking into a schedule change for the remainder of the school year. One option is to extend the Holiday Break until January 11th and extend the school year until June 30th. Another option is to extend the Holiday Break until January 11th and cancel the February Break. One day will be added to the end of the school year. These options should be irrelevant if the students are still fully remote learning.

~Any teachers or staff members can work remotely right now.

~Q.I.P (Quality Improvement Plan) was adjusted this year due to the Pandemic. Not hiring a Math Resource Teacher really helped with flexibility this year. We need to start looking at the budget for next school year (readjust for personnel development, what technology is needed, how much of an investment is needed at the school level etc.)

PTO

~Clothing orders may be in before the Holiday Break.

Treasurer's Report: Tina Novo

~No money came in and there were no expenses since our last meeting.

Meeting was adjourned at 5:33 pm.
