# School Data

- Fall Data in line w/district
- Next round of summative-type assessments coming in February

Student Race and Ethnicity

Selected Populations

## 2019 Accountability Classification

Massachusetts uses information related to progress toward improvement targets, accountability percentiles, graduation rates, and assessment participation rates to determine each district and school's overall classification. Most districts and schools are placed into two categories: those that require assistance or intervention from the state, and those that do not require assistance or intervention. Districts and schools that are new or very small are classified as having 'insufficient data'. Placing schools and districts into categories helps districts know which schools need more support, and helps the state know which districts need the most assistance. More information is available here: <http://www.doe.mass.edu/accountability/>.

# Current Remote Learning Attendance Rates

*(since giving out about 40% of students access via hotspots)*

<b>Grade</b>	<b>Attendance Rate Late November</b>	<b>Current Rates</b>
PK	84%	87%
K	93%	93%
1	95%	95%
2	96%	96%
3	96%	95%
4	98%	98%

# This Year's Budget

We were able to purchase supplies/replacement supplies to support remote learning via general fund.

Able to provide teachers with one hour of additional planning time as a team, each week (Still maintained from spring budget). PD budget will allow this for a couple more weeks.

Budgeted to establish process for getting interactive white boards in classrooms. Have ordered four new boards. Should be arriving this spring.

# Progress Toward School Goals

Quality Improvement Plan (QIP) was modified to reflect goals as result of COVID.

- Attendance Data has been strong
- Student growth in Math and ELA will be formally monitored soon (iReady Testing and Reading Assessments in February)

## Items for 2021 - 2022 Year

District will be asking school admin to begin 21-22 QIP soon. Will share with SSC.

Site-based budgeting will also be expected, but not sure when the projections will be set for next year.
