**1. QiP Process:**

- **School Goals-** We reviewed our proposed goals from the beginning of the year to note any changes we need to make based on ongoing data.

**2. Budget Process (Dr. Passeri)**

- **Budget Review -** We reviewed site-based processes and how our decisions continue to be rooted in data and what is best for our school.
  - **Our Collective Wishlist Re-Examined -** This year, we have the money to address much of the areas, such as reading, math intervention, and getting more for early literacy.
- **Recommended Budget -** Dr. Passeri reviewed the recommended budget with time for any member questions. The budget was approved by our SSC.
