QIP Fishbone

Look at bringing back
teacher led
committees (School
Climate Committee,
Faculty Senate, etc)

School Leadership

Increase parent participation in
school planning and academic
related events

Student Engagement

Continued focus on Student
Engagement (Standards 9 and 11)

Look at how programs are aligned with
standards and skills students need to be
successful (LetterLand, Heggerty,
Teachers College, and Assessments)

Problem of Practice

Investigate programs
that support
vocabulary and
comprehension
development

Letterland is being expanded to 3rd
grade

Ensure that supports that we
have are being implemented
as effectively as possible
(schedule, training, etc.)

Investigate programs and ways to help
students develop foundational math skills

Student Support

Look at a school wide
way for two-way
communication

Attendance continues to
be a concern - Currently
34% Chronic

Look at adding in a second
set of conferences
