- Overview of agenda
- Quick updates:
  - No final spending deadline yet
  - Field trips update
  - MCAS coming up for grades 3 and 4
- Faculty Needs Assessment Overview
  - Overview of each question
  - Highlighted main takeaways from last year
    - Small group instruction
    - Consistent behavior supports
    - Team planning and collaboration
    - ELA and Math professional development
  - Main takeaways from this year's needs assessment
    - Tutors very impactful and successful - will keep tutor budget line
    - New phonics program - staff requesting PD - small budget line, most covered by ESSR funds
    - Small group instruction pull in and push out both very successful - need guided reading group PD
    - Behavior support - suggestions for improvement
- Looked at the QIP from last year - explained for new council members
  - Explained how the needs assessment feeds into the QIP
- Parent survey analysis
  - Overwhelmingly positive feedback from the 20 parents that filled out the survey
  - Planned to push out another parent survey near the end of the school year

- Goal areas: tutors, phonics, intervention, behavior support, guided reading PD - some goals stay the same while adding some updated pieces to continue the positive growth started last year
- Opened up floor for feedback or questions
  - No questions
- Next meeting Wednesday, March 22 from 5:00-6:00 P.M.
  - Will go over drafted QIP and drafted budget defense which will be sent out before the meeting
- Budget defense March 29 at 12:30-1:00 P.M.
