

# McAvinnue's Top 5 Priorities

- **Additional support for the Special Education student population to ensure individual student needs are met during a combination of specialized instruction and the co-teaching model.**
- **Additional support for the English Language Learners (ELL) student population to ensure individual language development is enhanced that includes students at all levels of English Language proficiency.**
- **Continue to work to build a passion for reading with our students by supporting their needs by determining effective options for them to experience overall success in reading develop.**
- **Continue to work to offer additional engaging S.T.E.A.M. opportunities for our students that will extended their understanding of concepts in all content areas.**
- **Continue to improve our family partnership by discovering new approaches to promote school attendance for all students and increase consistent opportunities for families to be more involved in their child's overall school experience.**
