

Laura Lee Therapeutic Day School
School Site Council Meeting
Wednesday, February 1, 2023
2:15 pm - 3:15 pm

Meeting Notes

Members were introduced. The purpose of the SSC was reviewed. QIP for 22-23 school year was reviewed. Items accomplished were highlighted. Items not accomplished were reviewed as to what obstacles may be preventing the implementation. Enrollment numbers were reviewed: started the year with 13 students, we are currently at 19 students, an additional student will be joining once IEP is signed.

Parent shared what she thinks the strengths and weaknesses of the school are. She is pleased that staff at the LL participate in monthly trauma training. Parent also expressed wanting the school to continue to work on developing a transitional program that is targeted for students moving to less restrictive environment.

Current assessments taking place were reviewed: ACCESS testing and iReady (Reading and Math). We will complete F&P assessments in March for a mid winter check. MCAS testing dates will be scheduled and reviewed at next meeting.

Lastly, we discussed the dashboards (HALS) from the survey that staff completed, as well as the Open Architects dashboard (enrollment, attendance).

Next meeting: Wednesday, March 15 at 2:30 pm
