

# Hello, April!

SCHOOL GARDEN NEWSLETTER

Follow us on social media for tips on gardening!

Mill City Grows' is bringing our garden knowledge virtually through our Facebook and Instagram accounts! This is a great way to deepen your gardening skills this spring. All levels of gardeners from beginners to masters are encouraged to follow!

Looking for  
creative ways to  
start seeds at  
home?

Over the course of spring, we'll be sharing tips and tricks that will include information on seed starting, garden planning, transplanting, pest and disease control and more!

Please contact our Education Manager, [giuliana@millcitygrows.org](mailto:giuliana@millcitygrows.org) with any questions

## Other Updates

- School Garden operations have been temporary suspended till May 4th, 2020
- Inspired to start your own seedlings, but don't have the seeds? Don't worry, we got your back! Please fill out this seed request [form](#) and we will be in touch with you shortly after
- Our Mobile Market has moved online! You can now order fresh, seasonal produce through this online [form](#). Your order will be packed and ready for curbside pick up at our office - Delivery options are also available.
