

1. Budget

- General fund and PD budget took cost from last year. Will need to hold off on purchasing additional leveled library books
- We do not have a library aide as a result of budget cuts. Student and teachers will still have access to library books. Teachers can still check out books. Students will be able to read their library books and return them during the Content Lit. class.

2. USIP/Progress Toward School Goals

- Mukland School met 2018 targets. We had the highest SGP in both math and ELA since 2014.
- USIP goals were reviewed

3. Professional Development

- Mukland theme for 2018 – 2019 is from Striving to Thriving. Teachers met over the summer to begin our PD for the year. Striving = Alignment, Thriving = Innovation.
- Ongoing PD throughout the year will support alignment and innovation.

4. Building Maintenance/State of playgrounds

- Mike has submitted tickets regarding windows, leaks, tiles, and other areas of need.

5. Nonagenda Items
