---	--	---

1. Budget

- We are in line with what we've projected for the year (supporting school-based PD and general supplies). We plan to spend final funds by March

2. USIP/Progress Toward School Goals/PD

- Teams continue to hold Lesson Studies. So far, outcomes have been positive. We will have teams reflect on the process/outcomes after all Lesson Studies are complete.

3. Building Maintenance

- Mike continues to put tickets in as needed

4. Nonagenda Items

- Our MCAS Theme for this year will be WHATEVER IT TAKES
