

1. Progress Toward School Goals

- a. We have conducted F & P testing and are reviewing this data. Results show that we are in line with previous year results. Math tests will remain similar to previous years so we can pinpoint the effectiveness of new instructional decisions

2. Professional Development

- a. Staff have been participating in Lesson Studies (Individual and Team)
- b. We held Mill City Educator Conference during Election Day. We will be reviewing staff feedback from that conference to determine the value of this event

3. Budget

- a. We are in line with our projections. All staff have received ordered supplies.

4. Building Maintenance

- a. Waiting on a few items to be repaired (lift, tiles, and others)

5. Nonagenda Items
