

**1. Progress Toward School Goals**

- a. We are working with staff to establish new goals specific to Math and ELA. Data will include F & P (for ELA) and most likely iReady (for Math).

**2. Professional Development**

- a. We held optional summer PD for teachers prior to the school year beginning. We had close to 100% participation from staff. This was/has been a great way for our teachers to begin working toward school initiatives.

**3. Budget**

- a. Our School-based funding is in line with previous years.

**4. Building Maintenance**

- a. School opening was smooth. No major maintenance issues. Tickets in for all items in need of repair.

**5. Nonagenda Items**

- a. We had our first ever 21<sup>st</sup> Century Summer Program this year. It was a great success. We look forward to continuing this again next year.
