Overview of School Site Council Mission and Values

Mission Statement and Values:

- The School Site Council is a collaborative group that includes parents, teachers, staff, and community members. Its primary role is to develop and approve the [Quality Improvement Plan](#) and budget, ensuring that resources align with student needs.

Programming Updates:

- **Career Readiness Workshop:** Finalizing career readiness workshop for 8th graders with certificates from Project Learn
- **Cambodian New Year:** Event was a success with over 300 community members attending and 17k views on social media
- **DESE Site Visit:** Our after school program will be receiving a visit from the state on 3/17
- **O'Donnell Park Renovations:** Public engagement strategies for ARPA funding
- **Instructional Rounds:** Great success on our recent district visit!

Upcoming Projects:

- **Budget Reallocation:** Initial phases of budget process
- **Teacher Appreciation:** Finalizing gifts/events for teachers, including the remodeling of the teachers lounges

Action Items:

- ☐ Finalize Student and Partner Members
- ☐ Begin Budget Process
