

BUSINESS: FINANCE PATHWAY

The Lowell High School Business Department offers a Pathways with a concentration in Finance for students interested in majoring in Business Administration in college or entering the workforce in the areas of finance, banking or accounting. Students in this Pathway are eligible to join Business Professionals of America (BPA). This co-curricular student organization provides students with the opportunity for educational and leadership development, personal and professional growth, and career related competencies.

The Business Pathways offer students authentic learning opportunities. Our students have the ability to work in the 1826 School Store, with a site in the high school and another in the downtown. Students experience the excitement and challenges of being a small business owner. Our partnership with the Jeanne D'Arc Credit Union allows students to work in the LHS branch of the Jeanne D'Arc Credit Union where students learn the day-to-day operations of the banking industry. All of these valuable business opportunities allow students to earn high school credit and real world experiences at the same time.

The Business Department has recently articulated a number of its courses with Middlesex Community College, providing students an opportunity to complete entry-level requirements for MCC while earning credit for these courses at LHS.

Financial Concentration
