

School Mission

The mission of the H. J. Robinson middle school is to ensure student readiness for high school or the vocational school through consistent social, emotional and academic growth of all students.

Objectives:

Every student will effectively move toward academic proficiency along the MCAS continuum as measured by the MCAS Student Growth Percentage (SGP)

All students will understand and demonstrate the core values of the Robinson Middle School: Respect, Responsibilities and Right Choices

School's Greatest Assets

- **Multi-cultural. Multi-lingual, and multi-ethnic staff and students**
- **School facilities are modern with internet access in all classrooms.**
- **Updated curriculum in all academic areas as well as highly dedicated and dedicated team of teachers working collaboratively to meet our students' needs.**

School Accomplishments & Priorities

We have a safe, secure, and structured learning environment. Our diligent staff works continually to develop routines for our students to become successful learners. All of our students make strong academic and social gains, resulting in consistent and sustained progress in attendance and increased scores on MCAS

Parental Involvement

Parent support is highly regarded and an important feature to our students' success in school. Volunteers are encouraged and utilized in many ways within our building. Volunteers help in the classroom as well as Family Fun and Learning Nights such as Bingo for Books, Family Games Nights and Crafts. We have a Parent Center for socializing, peer support and learning; as well as questions and concerns. Parent workshops, coffee hours, and newsletters are offered throughout the school year.
