Our Vision:

To create and maintain an environment of mutual respect, responsibility and safety for all coupled with high achievement. We embrace what is best for students and strive to reach academic Excellence resulting in high gains in student growth and achievement

Programming for Students

The McAvinnue School offers social emotional programming for our students based on the concepts of:

- Positive Behavioral Interventions and Supports
- Creating a Trauma Sensitive School
- Maintaining a school environment that is sensitive to the needs of all students

School's Greatest Assets

We are excited to have a caring, enthusiastic community of students, families and staff who work together to bring out each student's full potential and create a love for learning.

Priorities at the McAvinnue School

The McAvinnue School Community provides a safe and respectful environment with high expectations for all learners. We work each day to build student proficiency in social skills, literacy, mathematics, science and the arts. This work prepares students to grow into good citizens and enjoy all that life has to offer.

Our facilities include:

- Rooftop Courtyard for Students
- Gymnasium
- Cafeteria with stage
- Literacy Center
- Music Room
- School/ Community Garden
