

Dear Parents/Guardians and Students in Grade 4,

Shopping for school supplies is a great way to help your child anticipate the new school year with excitement. We would like to encourage you to purchase several items for next year.

Any items that are starred (\*) are items we would greatly appreciate to share in classroom.

We also wish to encourage each student to complete the summer reading and summer math packets. We plan to begin our new fourth grade adventures right on that first day of school.

Have a restful summer!
