1. School Expansion Updates:

a. Return on 4/5

- We tried to keep rosters consistent to help provide students with continuity.

b. Additional Information to Consider:

- We have our full 5 tutor positions filled.
- Ongoing challenge to fill positions during this time.
- Increase required adults for procedures.
- Students/Staff cannot come to school sick (even mildly like before COVID) - In person learners when sick can then become remote while sick/on Covid protocols. However, it needs to be consistent that in-person is in-person, and remote is remote aside from illness or quarantine.
