Construction Update

The Lowell High School construction is broken into four phases:

LHS is in Phase 2: The construction of the new Freshman Academy, addition to the southern end of 1980s building, replacement of the southern bridge, and gut interior renovation and exterior envelope upgrades in one section of the northern end of the 1980s building. Site work includes the new quad and landscaping around the building.

Budget Timeline

First week of March - Principals send their funding summary and workbooks to SSC

January - Receive Update on Budget Process

Early February - Principals receive FSF workbooks

February - March - SSC reviews budget and makes recommendations for SY 24-25

Late March - Early April - Principal Budget Defense

Early May - SC Budget Presentation

Mid May - SC Budget Adoption
