School Site Council Minutes
June 9, 2022

In Attendance:

1. Summer Enrichment Updates:

- **Summer Programming (Mrs. Burgess-MacIntosh)**
 - Our program has been promoted and has been filling up at all grade levels. We are offering a program that will engage students and also help to make up for deficits.

2. Open Positions (Dr. Passeri)

- **New Positions**
 - At this time, there are none, but there will likely be a few that could crop up throughout the summer. The only positions that are new were from the most recent budget discussed at the last meeting.
- **Hiring Progress**
 - We have taken a lot of transfers for many of our positions and have made some clear progress on being fully hired before we hit mid summer.

3. Thank You (Dr. Passeri)

- **Planning for Next Year**
 - We will have all of our seats up for election other than our community members, who are appointed by Dr. Passeri, as well as Mrs. Burgess-MacIntosh, who is on year one of a two year plan.
- **Celebrating Our Work**
 - Dr. Passeri thanked everyone for their commitment to being a part of all of this change for this school year. Everyone on the SSC should feel as though they made a difference in helping to make STEM a better place for our children.

4. New Business

- There was no new business

5. Adjourn
