School Site Council Meeting Minutes
October 10, 2023

In Attendance:

1. Introduction of Site Council Membership:

- Welcome to new parent member Marivel Santos and Josh Dwyer (3-years)
- Mrs. Burgess-MacIntosh is now a Community Partner in her new role as Community Schools manager
- Welcome teacher member, Mr. Al-Rekabi (2-years)

2. Setting our Parameters

- Members unanimously agreed that we will continue to operate based on the consensus model that we have had success with.

3. QIP: Our School Priorities and Accountability

- Dr. Passeri went through a presentation of our 2023 school accountability and the QIP goals from last school year. We introduced each, and discussed the plan moving forward, and how we begin our collective focus at this meeting, and we look to continually refine as we move through this school year and towards the next school year.

4. Open Positions

- At this time, we are fully staffed, minus our building sub position, and tutor positions, we generally are not always able to be filled for the start of the school year.

5. Building Improvements

- We reviewed the current status of our modular plan, which was given the green light to move forward after a spring/summer school committee meeting. We will provide updates on this project for our stakeholders, since this being viable for our community is of much importance.

6. New Business

- We are going to continue with our plan from next year, and run a series of parent forums to help with family/student engagement.

7. Adjourn
