Science or Social Studies 45 minutes (S) 30 minutes (SS) (per week)	Author read alouds on Facebook live @10 am all week! ImNotJustAScribble account Finding Your SPOT in the World	A Little SPOT of Responsibility -Science YouTube video	A Little SPOT of Patience -When are times you need to be patient at home? In school?	A Little SPOT of Anger -What can you do when you start to feel angry?	A Little SPOT of Honesty -Science YouTube video
30 minutes	CONTENT LITERACY Spring is here. Take a walk outside and observe signs of spring. Write what you see, hear, and smell. Find a tree and draw what it looks like right now. You can draw the same tree again next week and compare your drawings.	MUSIC It's spring! Open a window or take a listening walk. What does spring sound like? Can you hear birds singing? Every bird has a special call. Draw a bird and describe the sound of its song. Try to whistle or sing its song.	ART Use your imagination and pretend you are teeny tiny...the size of an ant! What would the place you are in right now look like? What would you look like? Draw the world from your teeny tiny perspective!	PHYSICAL EDUCATION Commercial Fitness: Choose a workout to do during the commercial breaks of your favorite show. Some ideas are jumping jacks, push ups, running in place, invisible jump rope or squats.	

*More online resources can be found on the LPS website

*You can complete all of the pages in your packet if you have time!
