This week let's explore an African folk tale with music! Watch and listen to a famous American folk singer, Pete Seeger, as he reads and sings his version of "ABIYOYO." Then click on the ABIYOYO link below to view the Response Choice Board for Gr. 1 & 2. Will	Content Literacy 📖 : Hey first grade! This week I want you to think about our lessons on needs and wants. You can watch the brainpopjr. about needs and wants to refresh your memory. Have a conversation with an adult at home about needs and wants. Write one sentence on something your family needs and another sentence	

(30 min daily)	Don't let whatever you are balancing fall off! Good Luck! My high score was 9. What's yours? Take a picture and let me know!	of cool drawing ideas to try if you have paper that isn't perfect. Give them a try, take a picture with your device, and submit it to the assignment! If you have a laptop, try using the PHOTOBOOTH app to take a photo. Ask a grownup to help you save the photo, and submit it with your assignment. I'd love to see your work! For kids who want to keep making art, let's make an OOPS tree! Check out the picture called "OOPStree" at the bottom of the screen.	you draw a picture, write about the story, or create your own monster dance? Try to share a picture or video of your work with me, or post your response on the Specials Google Classroom! Can't wait to hear from you! OPPStree Directions:

You will need: an empty toilet paper roll, scissors, a piece of paper, and any coloring supplies you have.

- 1) CUT five SLITS going up and down at the top of your toilet paper roll. SLITS are cuts. The slits should be about as long as your finger. Look at the picture "Cutting5slits" if you are confused.
- 2) BEND back the top of the roll to make tree branches. You can draw on the rest of the Toilet Paper Roll to add details if you want (maybe a little hole in the tree trunk, or some wiggly lines to make the tree look rough).
- 3) COLOR a whole paper however you want. You can make mistakes, scribble and use any colors you want. Try to cover the whole page with drawing!
- 4) CRUMPLE the paper into a ball and put it in the branches of your toilet paper roll tree. Make sure it can stay in on its own! If you made a toilet paper roll owl from last week, put him next to your tree. Now

he has somewhere to live!

5) PHOTOGRAPH your tree and submit it to the assignment!
