Other Information:

1. *Grab and Go Meals*

Monday, May 25 is Memorial Day and will still be observed as a day off from school for both students and staff.

All of the [grab and go meal sites](#) will also be closed on Memorial Day.

In order to accommodate this closure, families can visit our meal sites this Friday, May 22 and will be able to pick up meals for Friday, the weekend days, and for Monday as well.

New at-home learning packets will still be distributed at all of the meal sites this Friday. Since the meal sites are closed on Monday, you will also be able to pick up packets at the meal sites on Tuesday, May 26. The packets include activities that support the remote learning plan and are also posted on the [remote learning section of the district website](#).

A list of locations and times for our [meal service](#) can be found on the [district website](#).

Please remember that the Governor has ordered that you must wear a mask or face covering in public spaces, unless you have a medical condition. Doing so not only helps keep you safe, but helps keep all of our staff safe as well.

2. *Thank You!*

We know that this part of the school year isn't going the way that we all hoped it would. As teachers, we are as sad as the students are about not being able to spend time learning together at school.

We want to thank you for all that you are doing at home with your child to help them continue to learn and grow! We know how tricky it can be to balance your own personal and family needs, your work schedules, and your child's remote learning. Thank you for continuing to do the best that you can.

As always, it is very important that you continue to reach out to your child's teacher with any questions or concerns. We are in this together!

Learning Schedule for the Week of Monday, May 25 - Friday, May 29

Subject	Monday May 25	Tuesday, May 26	Wednesday, May 27	Thursday, May 28	Friday, May 29
Literacy Instruction (10-20 minutes daily)	Memorial Day No School	Review blends & digraphs on page 23 Do the Write & Read activity on page 24 (a_e, i_e, o_e)	Review blends & digraphs on page 23 Do the Write & Read activity on page 25 (u_e, e_e, a_e)	Review blends & digraphs on page 23 Do the CCVCE activity #1 & #2, pages 26 & 27	Log in to iReady and complete 20 minutes of ELA lessons. <p align="center">Science (45 min per week)</p> <hr/> <p align="center">Social Studies (30 min per week)</p>	<p align="center">Memorial Day No School</p>	<p align="center">Science</p> <p align="center"><u>DIY Activity & STEM Activity</u></p> <p align="center">(Packet Pages 38-39)</p> <p>Make a shadow puppet activity & questions.</p>	<p align="center">Social Studies</p> <p align="center"><u>What Makes a Good Leader?</u> (Packet Pages 41-45)</p> <p>Read the texts about Cesar Chavez.</p> <p>Answer the questions on page 41</p>	<p align="center">Science</p> <p align="center"><u>Do Genius Challenge</u> (Packet Page 40)</p> <p>Introduction to Light</p> <p>Do all questions, #1-10.</p>	
<p align="center">Arts, Social-Emotional Learning, Physical Ed (30 min daily)</p>	<p align="center">Memorial Day No School</p>	<p align="center">MUSIC. 🎸</p> <p>This week let's check out the MBIRA from Zimbabwe. It's featured in this fun GOOGLE DOODLE: https://g.co/doodle/tytr2vn</p> <p>Watch the video and try to play some African songs on the Mbira! There are several levels to test your skills. I'll post a flipgrid on Monday where you can tell me what you've learned about the MBIRA, or you can write your response in the comments. Here are some questions to get you thinking:</p> <ol style="list-style-type: none"> 1. What is the MBIRA made of? 2. How is the MBIRA played? 3. What is added to create the buzzing sound? 	<p align="center">Content Literacy 📖:</p> <p>Hello 1st grade friends.</p> <p>We are going to learn about light this week.</p> <p>I want you to watch the Brainpop Jr. video about light.</p> <p>After you watch the video click on the activity page and try making the shadow puppets.</p> <p>Next, click on the game.</p> <p>I think you will think it's fun. Give it a try.</p> <p>https://jr.brainpop.com/science/energy/light/</p>	<p align="center">Gym 🏆:</p> <p>We are going to do a special kind of exercising called Tabata with a really cool Avengers themed video. For this type of exercise, you work really hard for 20 seconds and then break for 10 seconds. My challenge is for you to follow this pattern FIVE times. And even better, try it every day!</p> <p>https://youtu.be/jyWyBern6q4</p> <p>If you can't view it, here are 5 exercises you can try:</p> <p>Hulk Smash: Frog Jumps Iron Man: Squat down and jump up Super Soldiers: Run in Place Hammer of Thor: Pretend that you have a massive hammer and you are bringing it from your head and down to the ground. Black Widow: Air punches</p> <p>Have fun with this. Add in any new activities that you want and try it every day!</p>	<p align="center">ART</p> <p>Let's make a connection to science and draw, paint, photograph or sculpt artwork about the moon. Use what you have and have fun! Below are some videos for inspiration:</p> <p>https://www.youtube.com/watch?v=Trc0bzRpuo4 Goodnight Moon by Margarget Wise Brown</p> <p>https://www.youtube.com/watch?v=yXe0yxzYkjo "Why Does the Moon Change?" Science Video, 3 minutes 48 seconds</p> <p>https://www.youtube.com/watch?v=EMtkf8rrxLs "Moon: Earth's Best Friend" Non-Fiction Read Aloud, 5 minutes 49 seconds</p> <p>Check out the FlipGrid for more inspiration and to upload a video of your artwork about Moon! https://flipgrid.com/ad83c1a9</p>
