Music

Hi Kindergarten friends! This week let's check out the MBIRA from Zimbabwe. It's featured in this fun GOOGLE DOODLE: <https://g.co/doodle/tvtr2vn>

Watch the video and try to play some African songs on the Mbira! There are several levels to test your skills. I'll post a flipgrid on Monday where you can tell me what you've learned about the MBIRA, or you can write your response in the comments. Here are some questions to get you thinking:

1. What is the MBIRA made of?
2. How is the MBIRA played?

Content Literacy : Hello Kindergarten friends. This week we are learning about Memorial Day. Memorial Day is considered the unofficial start of summer in the United States. Memorial Day is a day to honor all of the men and women who lost their lives serving in the U.S. Armed Forces. Memorial Day is celebrated every year on the last Monday in May. Please watch the read aloud I have attached and draw a picture about what you learned.

Gym

Hi everyone! This week we are going to try a dance challenge. Follow the link below and you'll find a Disney Dance A-long video. Before the song starts, choose a character you want to follow along with. If for some reason you can't access the video as someone at home to play you a Disney song and see if you can come up with your own dance to it. Have fun!

Art

Let's make a connection to science and draw, paint, photograph or sculpt artwork about the moon. Use what you have and have fun! Below are some videos for inspiration:
